

Becoming a Successful Follower of Jesus Christ

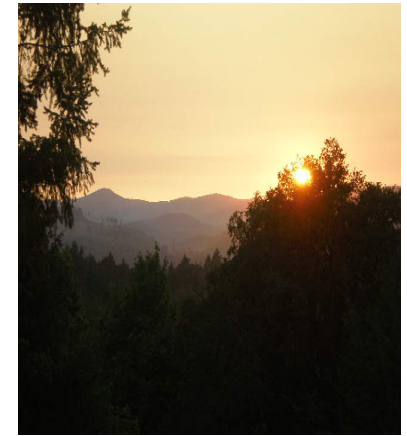

"...there can be no maturity in the spiritual life, no obedience in following Jesus, no wholeness in the Christian life apart from immersion and embrace of community. I am not myself by myself. Community, not the highly vaunted individualism of our culture, is the setting in which Christ is at play."

-Eugene Peterson

Why Community Life Groups?

Jesus understood the benefits of different types of fellowship in order to witness and live holy lives for Christ. The small group is a primary element to insure that nobody stands alone, struggles alone, serves alone or develops alone.

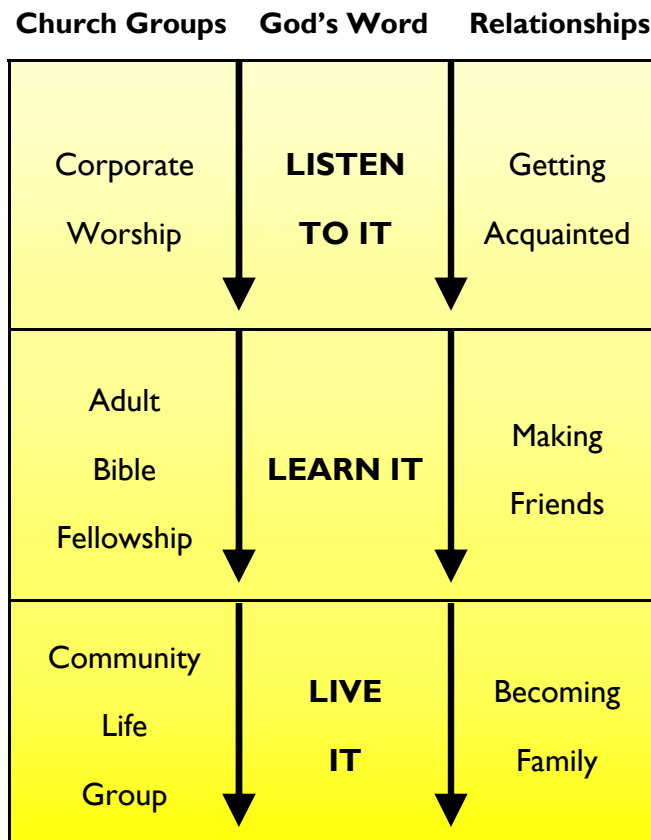

Faith Evangelical Free Church desires to assist all followers in seeking a deeper relationship with Jesus Christ. Community Life Groups have been developed for growing your personal walk with Christ in a close, personal and supportive setting.

A person standing alone can be attacked and defeated, but two can stand back-to-back and conquer. Three are even better, for a triple-braided cord is not easily broken. (NLT)

Ecclesiastes 4:12

And let us not neglect our meeting together, as some people do, but encourage and warn each other, especially now that the day of his coming back again is drawing near. (NLT)
