Friesens: The Friesens had a fabulous six weeks with Paula's parents in PNG! They were able to give them a good feel for life in PNG as well as life at Lapilo. It has been a great academic school year for the girls! They have transitioned amazingly from home school to junior high school. Pray that they continue to be blessed with a peace about this transition into a new school system. In just a few weeks school will end, and many families will be leaving for furlough or are leaving for good. They ask for prayer for the girls, especially Holly, who is losing her closest friend, but both face the summer break with some friends leaving. In both of the Friesen's departments, there are several families leaving, which will effect work responsibilities and workloads. Please pray that the Friesens will have positive attitudes as they continue to serve in their jobs.

Hedeens: The Hedeens are praising God that Eric, Bob and John made it safely to the Leadership Meetings in Hanamanda. The guys sound encouraged and upbeat on their calls home and everyone is looking forward to their return so they can hear all about the meetings. Judith is thankful for the Lord's faithful provision and help while Eric is away. Please pray for the men as they finish their meetings, and for strength, endurance, and stamina for their two-day return hike. Judith also asked for prayer as she and the boys continue their daily routine, get ready for Eric to come home, and for faithfulness in discipleship of the children, who are learning about obedience to God and parents.
