

~A Note to Parents from Debbie Davies

Sunday mornings – our Children’s Ministry Team loves Sunday mornings. We count it a privilege to interact with your children. As seriously as we take our time with your children and as grateful as we are to have it – we want to be sure to encourage you in *your* role – as their primary spiritual role model.

God has called you and *equipped you* to be your child’s primary ‘faith-shaper.’ In Deuteronomy 11:18–20, we are reminded to teach scripture to our children. It doesn’t have to be a fancy lesson, or a well-planned ‘presentation.’ We are encouraged to make it a natural part of our day – whether we mention a verse over dinner, tape a verse to the bathroom mirror, or slip a scripture in their lunch box.

Sunday mornings are a time we come alongside you – to reinforce what is being taught at home. We want to clearly communicate our desire to partner with you. Our teachers strive to make our lessons applicable to the other six days of the week as well as Sunday.

I would be happy to provide you with the scope and sequence of our curriculum if you would like to follow along as our children are learning. Knowing what lesson we’re sharing and the order of the stories may give you some good dinnertime conversation starters.

If you have any questions about material we are teaching, are looking for a good family devotion book, or just want to learn a little more about what your children are doing on Sundays, please email me or give me a call. All of our classes have an open-door policy. We would love to have you pop in to visit a classroom—encourage our teachers—or sit in on a lesson.

We do not take our Sunday responsibility lightly. We want to cheer you on in your journey as well—we are in this together!
